Our Conference Series categories seek to acknowledge Scientists, Researcher, Professor, Industrialists, and Students in various scientific fields who are making an outstanding contribution to the world of Science for the better and healthy future.

We have classified our recognition category in two:

Academic Awards (In conference):

Best Speaker Award:

This Speaker award seeks to recognize an individual who have demonstrated excellence when it comes to elaborating the presentation with an ease in Speaker Sessions through an on-going high-quality standard of his experience. All attendees are asked to cast their vote for the best oral presentation. The winner of the Best Speaker Award receives a certificate and their names are announced to all conference attendees after the conclusion of the conference.

Best Keynote Speaker Award:

To help and empower the logical and techno scientists to steer forward with their examination work, Conference mind has begun with Keynote Presentation grant during the very best point. We welcome every single energetic scientist from all round the globe go along side us for the examination work.

Best Research Award:

This Research award seeks to appreciate an individual or team who has displayed excellence when it comes to research in their respective area, with high-quality standard of their efforts to make it possible for new innovation. Grant creators from both industry and the scholarly community who have delivered work decided by their friends to be of extraordinary quality and advantage to the structural building, development and materials science network.

Best Young Researcher Award:

Organizing Conference Committee is meant to honour prestigious award for talented Young researchers, scientists, Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty in recognition of their outstanding contribution towards the conference theme. The Young Scientist Awards make every effort in providing a robust professional development opportunity for early career academicians by meeting experts to exchange and share their experiences on all aspects of research work.

Best Poster Award:

This Poster Award tries to value a person who has shown greatness with regards to uncover research in banner introduction class, with excellent norm of their endeavors to make it workable for new thoughts and development. These honors are given to the three best banners introduced at the meeting. It remunerates a mix of amazing examination, development, and presentation. A board of judges will choose the best banner from every one of the seven meetings. Banner champs will be perceived openly toward the finish of the banner meeting.

Best E-Poster Award:

This E-Poster Award tries to value a person who has shown greatness with regards to uncover research in E-banner class. Only submitting author will present and get a certificate. Electronic poster or E-Poster is similar to traditional paper poster, but displayed on a large LCD television screen. This is not a paper / printed poster. It will be viewed at the E-Poster Stations throughout the Conference.
