

Beneficial Microbes 2019

We gratefully thank all our wonderful speakers, conference attendees, students for making Virology & Viral Diseases 2019 Conference the best ever!

Giulio Filippo Tarro

Professor, World Academy Biomedical Technologies, Italy, E-mail: giuliotarro@gmail.com

The **3rd International Conference on Microbes and Beneficial Microbes** hosted by the Conference Series LLC Ltd was held during **September 27-28, 2019 at Toronto, Canada** based on the theme **Milestone technologies of Beneficial Microbes for human and animal health**. Benevolent response was received from the Editorial Board Members of Conference Series LLC Ltd Journals along with scientists, researchers, students and leaders from various fields of Virology, who made this event a grand success. Conference Series will acknowledge with gratitude the support by all the Editorial Board Members of Journal of Virology and Pathology for their valuable suggestions for up growth of the Organization.

The conference was initiated with the **Honorable presence** of the **Keynote forum**.

Andrea Polea, Polytechnique University of Marche, Italy

Hiroshi Ohno, Japan

Thomas Tompkins, Lallemand Health Solutions, Canada

Brianna Otto, University of Tasmania, Australia

The meeting reflected various sessions, in which discussions were held on the following major scientific tracks:

- Probiotics & Prebiotics
- Agriculture Microbiology
- Plant Beneficial Microbes
- Bowels to Behavior: The Gut-Brain Axis
- Immunobiotics
- Oral Microbiology
- Microbiome
- Marine Microbiology
- Ecology and Evolution of Microbe-Host Interactions
- Engineering Beneficial Microbes
- Beneficial Microbes in Food and Dairy Industry:
- Gut microbiota
- Beneficial Soil Microbes

- Worldwide safety and regulatory issues
- Human and animal nutrition and health effects
- Bacterial physiology
- Application of (meta)genomics, proteomics and metabolomics
- Women & their Microbes
- Commercialization of Probiotics in Market Development Perspectives

Conference Series LLC Ltd offers its heartfelt appreciation to the Organizing Committee Members, adepts of field, various outside experts, company representatives and other eminent personalities who supported the conference by facilitating the discussion forums. Conference Series LLC Ltd also took privilege to felicitate the Organizing Committee Members, Editorial Board Members and Media Partners who supported this event.

With the grand success of **Beneficial Microbes 2019**, Conference Series LLC Ltd is proud to announce the **4th International Conference on Beneficial Microbes &** to be held during **July 20-21, 2020 at Montreal, Canada**. **Beneficial Microbes 2020** has been prepared with the aim and the specific intent of promoting the development of new perspectives and ideas for exploiting the high level of knowledge achieved by the scientific community in Microbiology & Pathology disciplines.
