

## Editorial note on Journal of Biomedical Sciences

**Dear readers,**

I am pleased to mention that during the year 2019, all issues of volume 8 were published online well within the time and the print issue were also brought out and dispatched within 28 to 30 days publishing the issue online. The Journal of Biomedical Sciences welcome manuscripts in Biochemistry, Biomedical sciences, Biotechnology, Microbiology, Molecular biology and Genetics. The editorial board of Journal of Biomedical Sciences shall strive to maintain highest standards of quality and ethics in its publication. Also we have a well affiliated and recognized Editorial team to our journal. All the members are so much cooperative. All three Dr. Hossam M. Ashour, Wayne State University, USA, Professor Chia-Kwung Fan, Taipei Medical University, China, and Dr. Lixia Gao, Johns Hopkins University, USA are the Editor in chief in our journal. The other editorial boards members are from ITALY, JAPAN, KOREA, USA, CANADA, SAUDI ARABIA, GREECE, CHINA, MALAYSIA, INDIA. The publication process of our journal starts on the first day of the submission of the manuscript through online portal or email. After receiving of submitted manuscript, we upload it to our PreQc portal for the pre quality assessment, which take 24 hours of time to check the plagiarism report of the article. For the accepted paper we assign editors from our editorial board member who assign reviewer to review the paper. This peer review process takes 2-7 days of time. As the manuscript is accepted by the editor, all the article processing works are done and after 21 days the final galley proof is send to the author for any further correction along with the raised invoice. These whole process takes 28 days and after all the completing process the article become online in our journal website.

The Journal of Biomedical Sciences during this year also brought 26th World Congress on Neurology and Neurodisorders and 13th Global

Infections Conference proceeding, which consist of approximately 35 abstract.

The journal has Index Copernicus, Google Scholar, Genomics Journal Seek, China National Knowledge Infrastructure (CNKI), Directory of Research Journal Indexing (DRJI), World Cat, Secret Search Engine Labs. Globally the journal has the impact factor 1.9 in last two years and 0.55 in last five years. Index Copernicus Value of the journal is 85.95.

During the calendar year 2018 and 2019 IPJBS received total no of 70 article out of which 41 are accepted and 29 are rejected in the preliminary screening due to plagiarism or being out of format. During the year 2019 total no of 40 articles were subjected to the peer review process and out of these 30 are accepted and total number of 24 articles were published on the journal out of which 60% foreign authors. All the four issue of volume 8 publish during the year 2019, a total of 24 article were published (at an average 6 article per issue) from author all around the world. A total of 90 research scientists from all over the world reviewed the 24 articles published in volume 8. Average publication lag time of an article was further reduced to 2-3 weeks.

During the calendar year 2019, a total of 15 editors, 29 reviewers join the board of IPJBS and contribute their invaluable services towards their contribution as well as publication of articles.

I would like to take this opportunity to acknowledge the contribution of Dr. Hossam M. Ashour, Professor Chia-Kwung Fan, and Dr. Lixia Gao during the time of final editing of articles published and support rendered by the editorial assistant, (editorial assistant) in bringing out issue of IPJBS in time. I would like to express my gratitude to all the authors, the reviewers, the editorial board member, the publishers, the advisory committee of IPJBS, and the office bearer for their support in bringing out yet another

volume of IPJBS and look forward to their  
unrelenting support to bring out the volume 9 of  
IPJBS in the schedule time.

Editor  
Marly Andrie
