

Forthcoming Conferences on Annual Congress on Nursing & Healthcare during June 24-25, 2020 at Singapore

Kalyani CV

Assistant Professor, College of Nursing, All India Institute of Medical Sciences, India, E-mail: vasantharaj2003@gmail.com

Euroscicon take great pleasure in inviting the scientific community across the globe to the Annual Congress on Nursing & Healthcare during June 24-25, 2020 at Singapore. Singapore is both an island and a country, but maybe its best description is that of the city-state. Like the great city-states of the past, it welcomes civilization and order in the highest degree. Its mixture of Western-style growth and Eastern-style calm seems to present the best of both hemispheres. This meeting will explore advances in the Nursing & Healthcare.

The upcoming Nursing & Healthcare focused on advancements in the field of Nursing & Healthcare, Nursing and Health care. This conference will also present the advanced research, advanced techniques for improving Nursing and diseases related to the Health.

The participants can exchange and share their research results covering the scientific aspect of Nursing and Healthcare, Midwifery and Women [Nursing](#), Nursing Education and Research, Nursing Informatics Healthcare and Mental Disorders, Child Nursing in the Nursing & Healthcare 2020.

The convention will encourage Young Researcher's Forum, scientists and the researchers of their early level of profession graph to broadly talk their outcome to enrich and broaden the idea. The 'Best Poster Award' is meant to inspire college students in taking a lively component in the International Science platform to sharpen their abilities and knowledgebase. Nursing & Healthcare 2020 is one of the Nursing meetings which will be visited by all the prestigious Nurses, Nurse Practitioner, Registered Nurses, postgraduates, affiliations, Healthcare Doctors, and Healthcare specialists under a solitary rooftop. Nursing & Healthcare 2020 will help in frameworks organization, B2B teaming up amidst specialists and academicians. We have dealt with various compelling Nursing events and Healthcare gatherings and develop incredible relations bringing the researchers and associations together.

Nursing & Healthcare 2020 provides qualitative, quantitative, and combined-approach research shows on a selection of topics related to nursing and health care. It connects you with colleagues as they share know-how on special fields of nursing cares like nursing Informatics, nursing training, cardiac nursing, oncology nursing, [scientific nursing](#), public health nursing, paediatric nursing, holistic nursing, intensive and crucial care nursing, psychiatric nursing, emergency nursing, anaesthesia nursing, gynaecology nursing, CPR nursing and so on.

Themes for the presentation

This conference brings together individuals who have an interest in different fields of nursing like psychiatric, cancer, cardiac, critical care, adult & women health, legal, paediatric and emergency nursing, midwifery, public health, healthcare and medicine from practice, research, administration, policy and education. It is a forum to explore issues of mutual concern as well as exchange knowledge, share evidence, ideas, and generate solutions.
