[World Congress on Healthcare & Nursing](#) that is scheduled to be held in Milan, Italy in September 21-22, 2020. Nursing Care 2020 is an International platform for presenting plenaries about health issues and unexplored field of diseases. [Nursing Care 2020](#) will emphasize on the theme "Current Challenges & Research in Healthcare and Nursing" which provides an excellent opportunities to share views, exchange, organize, explore new technologies & establish research collaborations & networking. It witness valuable scientific talks & discussions to participate and accord to future innovative ideas about Healthcare & Nursing.

[Nursing Care Congress 2020](#) is scheduled in Milan, Milan is a city in northern Italy, capital of Lombardy, and the second-most populous city in Italy after Rome. It's continuously built-up urban in the European Union. The wider Milan metropolitan area, known as Greater Milan, is a polycentric metropolitan region. Milan is considered a leading alpha global city with strengths in the field of the art, commerce, design, education, entertainment, fashion, finance, healthcare, media, services, research and tourism. Milan is considered part of the Blue Banana and one of the "Four Motors for Europe". The city has been recognized as the world's fashion capital and the world's design capital thanks to several international events and fairs. The city is served by a large number of luxury hotels and is the fifth-most starred in the world by Michelin Guide.

Milan is home to some of Italy's most prominent educational institutions. Milan offers a major assortment of structures, landmarks and historical centres. The most imperative church is the Cathedral which is the third biggest church on the planet. It is general made of marble, with colossal statues, curves, columns, apexes. From the rooftop you can encounter a delightful display of the city. Santa Clause Maria delle Grazie was worked somewhere around 1466 and 1490 and changed by Bramante. In the Refectory there is a standout amongst the most well-known works of art of Leonardo da Vinci: the "Last Supper". Milan has numerous noteworthy palazzos like the

Palazzo Reale (Royal Palace) which is arranged in the south side of Piazza Duomo. The Sforza Castle is one of the images of Milan together with the Madonnina and the Galleria Vittorio Emanuele II. Each one of those sights together are only few explanations behind a visit. See craftsmanship and culture area.

**Past Conference:** International Conference on Nursing Interventions, Behavioral Medicine & Public Health held at New York, USA December 02-03, 2019.

**Award Announcement:** The conference offers emerging scholar awards to outstanding researchers, exceptional graduates or early academicians who have distinctive enthrallment towards the conference themes. The Award strives in providing a strong professional development opportunity for early career academicians—meeting experts in the field, interacting with colleagues from other parts of the world, and creating networks and long-term relations.

- Expert Level (Scientific Service Achievement Award)

The award to the experts who have made outstanding contributions to advancing in Nursing. It is the most prestigious award of the whole conference and is tagged as scientific service Achievement award. The eligibility criteria for achieving this award is that one should have minimum of 20+ years of experience in the relative field in public or private sector. The receiver of this award should have a dedicated fascination and should take initiative in researching the recent trends and developments towards the related subjects.
