After an effective conference of Neurologists Meet 2020, Conference Series is currently bringing "[International Conference on Neurologists](#)" programmed to be held during **September 18-19, 2020 at Dubai, UAE**. The conference invites all the participants across the globe to attend and share their visions and convey current developments in the field of Neuroscience and neurology.

The session will be organized around the theme '*Developing trends and Modern Diagnosis in stroke treatment & prevention*'. We will likely convey a extraordinary program which covers the complete range of research in neurological issue and stroke and share the ethnically diverse meetings of different treatment methodology.

[Neurologists Meet 2020](#) is a yearly meeting of Neuroscience organizations as well as Stroke committees to debate the future of the Neurological disorders in terms of collaboration, structures and organizational development.

#### Expert Level

The award is recognition to the professionals who have made outstanding contributions to Neuropsychology & Behavioural Science research development. It is the symposium's most prestigious award and is designated as the Scientific Service Achievement award. The eligibility criterion for this award is that you must have at least 20+ years of public or private sector related experience. The winner of this award must have a committed interest and take the initiative to study recent trends and innovations on Macular Degeneration Science topics. You can nominate deserving personalities for this award online.

#### Professional Level

The award is for professional or academic researchers experience gained in the field Neuropsychology & Behavioural Science in the public domain or private sector for experts with the most vital accomplishments having 10+ years of research experience in the field Neurology and Nursing. The experience of part-time work will be regarded as a pro-rata. It is measured from the date you received the (first) degree which entitles you to begin a doctorate (either in the country where the degree was obtained or in the country where the researcher is recruited), even if a doctorate was never been initiated or expected. You may apply for the award

online.

#### Scholar Level

The conference is presenting the Scholar Level award for future scientists, researchers, and experts with 10+ years Neuropsychology & Behavioural Science research experience. Our conference [NEUROLOGISTS MEET 2020](#) aims to offer the best platform for expanding your network by sharing your on-stage research knowledge. Presentation involves 25-30 minutes of oral debate on the conference theme-based scientific research topics along with 5-minute panel discussions. You can nominate online deserving of the award.

#### Women Scientist

Our conference provides women scientists with a unique platform for an in-depth analysis of the latest research projects. We cordially welcome university/industry women scholars and scientists with **10+ years of research experience** to join the forum. We are glad to encourage our women scientist participants through research awards and provide assistance for women scholars in career development and research guidance through our collaborations. Women scientists can nominate deserving of the award online.

#### Outstanding Speaker

The award honors the recognized individuals who have present their initiatives, approaches, and schemes to boost long-term performance Neuropsychology & Behavioural Science.

#### Best Keynote Speaker

The award recognizes the Best Keynote speakers who will present their projects, strategies, and schemes to improve long-term excellence in Neuropsychology & Behavioural Science. If you are accepted as a keynote speaker by Program Manager, you can nominate deserving of the award online.

#### Best Poster Presentation

Students poster competition is organized at the conference [NEUROLOGISTS MEET 2020](#), to encourage students and graduates to show their research. All approved abstracts will be discussed during the conference at the poster sessions. The goal of symposium [NEUROLOGISTS MEET 2020](#) is to set up a platform for all aspiring scientists and researchers to present their work in real-time and share their views and aspects relevant to the conference theme. You can

nominate deserving personalities for this award online.

**Outstanding Thesis**

The award is recognition for Masters/Ph.D./Post Doctorate thesis work presentations who will exhibit their projects and thesis that have been applied to enhance long-term excellence in the field of Neuropsychology & Behavioural Science. You can nominate deserving personalities for the award online.
