Past Conference Report

The 15th World Congress on Advance Cancer Research (Cancer Research 2019) hosted by EuroSciCon took place at Paris, France during June October 14-15, 2019. It was organized by EuroSciCon and generous response was received from the Editorial Board Members of EuroSciCon Journals as well as from eminent scientists, endowed researchers and young student community. Researchers and students who attended from different parts of the world made the conference one of the most successful and productive events in 2019 from EuroSciCon. The two day program viewed thought provoking keynote and plenary presentations from experts in the field of Cancer Research and highlighting the theme, "Expanding Horizons in Cancer Research : New approaches for Cancer treatment & a win over Cancer".

We are obliged to the various delegates from companies and institutes who enthusiastically took part in the discussions. We sincerely thank the Organizing Committee Members and Editorial board of Cancer Research 2019 for their gracious presence and continuous support throughout the proceedings of this event.

The Majorly Focused Highlights for our Cancer Research 2019 Conference were Cancer Research, Cancer Pathophysiology, Microorganisms & Cancer, Side Effects Of Cancer Treatment, Cancer Survivorship, Cancer Treatment, Anti-Cancer Drugs etc.
