

Young Researchers Awards: Young Scientist Awards & Best Poster Awards at Dermatology 2020

Dr. Adamu Ishaku

Department of Microbiology, Faculty of Natural and Applied Sciences, Nasarawa State University, Keffi, Nasarawa State, Nigeria, E-mail: akylaisaac@yahoo.com

EuroSciCon Ltd takes great pleasure in inviting the scientific community across the globe to the [International Conference on Dermatology and Melanoma](#) during **Sep 23-24, 2020 at Rome, Italy**. This meeting will explore advances in the [Dermatology](#).

The conference will serve as a platform to bring together young scientist, leading scientists, researchers, organizations and all representatives of company sectors with different specialities such as [Dermatology](#). This event is an open forum specifically dedicated for young investigators (i.e. students, PhD candidates and early stage postdocs) working in all fields in the broader area of [Dermatology](#). This forum will not only discuss state-of-the-art science to broaden the scientific knowledge of the participants but allow the young researchers to benefit as well from several specifically designed interactive sessions to advance their own career/ research. In particular, the forum aims to foster the spirit of teamwork among the participants, providing the opportunity to network globally and to establish own professional networks.

[Dermatology](#) is the branch of medicine deals with the Skin, Nails, Hair and its sicknesses. It is a claim to fame with both medical and surgical perspectives. A Dermatologist treats illnesses, in the most extensive sense, and some cosmetic issues of the Skin, Scalp, Hair, and Nails.

[Dermatology 2020](#) fundamentally manages the exploration, analysis and treatment of conditions identified with skin, hair, and nails. World Dermatology 2020 focuses around skin growth, skin ailments, Allergy manifestations, Dermatological maladies, Clinical Dermatology and Cosmetic Dermatology. In the current time the exploration in Dermatology came to another tallness which includes clinical research, Research strategies for analysis of the Dermatological infections and new treatments.

The conference will acknowledges those participants and organizations that have remarkably added to the value to scientific community by awarding [Young Scientist Awards](#) and **Best Poster Awards**. Awards provide an opportunity to the participants like

outstanding researchers, exceptional graduates or early academicians and organizations to showcase their best research and projects to the world related to the conference theme.

The [Dermatology 2020](#) is an event that aims to explore the Innovative approaches for current Investigations, [Treatment](#) and Preventive Strategies scheduled to be held on Sep 23-24, 2020 at Rome, Italy will raise the most dynamic and latest issues in the field of Dermatology. The Congress will highlight the discussion around the theme "Contemporary Modes to Escalate Research in Dermatology" by bridging the gaps between the intellectuals from across the globe to enlighten their research and findings at World Dermatology 2020. The highlights of the conference includes Dermatology, Clinical Dermatology, Paediatric Dermatology, Dermatological Diseases, Psoriasis, Hyperpigmentation and Vitiligo, Leprosy, Skin Cancer, Mohs Surgery, Dermatological Techniques, Alopecia and Scalp Problems and many more.

Young Researchers Forum- Young Scientist Awards

The Award is given to individuals in recognition of excellent performance in terms of scientific publications or presentations during the early stage of their scientific career. It also recognizes who have collectively made unique and significant contributions to the scientific community related to the conference theme. It also provides platform to professional networking with researchers of similar interest from others part of the world and encourage the participants in taking active part in the International Science platform to sharpen their skills and knowledgebase. The aim of these Award is to inspire, to identify the marvellous work and bring together the participants such as **Master/ Ph.D./Post Doctorate** and to in the area of [Dermatology](#).

Guidelines for Young Researchers Forum- Young Scientist Awards

Benefits

- Showcase your research through oral presentations.

- Learn about career development and the latest research tools and technologies in your field.
- The forum will provide an opportunity for collegial interaction with other young investigators and established senior investigators across the globe.

Eligibility

- Young Scientist (e.g. Post-Graduate students, Post-doctoral fellows, Trainees, junior faculty) is the focus of this event.
- Each individual participant is allowed to submit only one or two paper, it must include at least one co-author (Guide, Professor)
- None of the authors should have senior position or faculty position.
- Participants should be below the age of **35** years.

Best Poster Presentation – Best Poster Awards, Dermatology 2020

The [Best Poster Award](#) is meant to encourage students in taking active part in the International Science platform to sharpen their skills and knowledgebase. This **Award** is to highlight good quality posters presented at the Annual Meetings. The Award will be given to the **best students, PhD candidates and early stage postdocs**. It rewards a combination of excellent research, innovation, and presentation. As the goal of this poster award is to foster the clear communication of scientific content also to non-specialists of the presented topic, the emphasis of the evaluation will be put on the attractiveness of the graphical representation and on the clarity of the text. Only posters which satisfy the communication criteria will be taken into consideration for the evaluation from a scientific point of view.

Guidelines for Best Poster Presentation – Best Poster Awards

Benefits

- This award will be provided to participants like student and recent graduates to present their original real-time work and share their views and aspects related to the theme of the conference.
- Award should motivate participants to strive to realize their full potential which could in turn be beneficial to the field as whole.

Eligibility

- This competition is open to all students (Graduates, Postgraduates and Research Scholars).
- Abstracts have to be submitted through online or by email. Shortlisted abstracts for the competition will be intimated through email and those will be displayed on the website as well.
- If the registered author/poster presenter is unable to attend the conference he/she may send a substitute who can be a co-author (or) any member from the same institution. If the winner is a substitute, he/she will be awarded and not the registered author/contestant.

Judging Criteria

- The judgment will be done by Board of Jury.
- You will be given about 8-10 minutes to present your poster including questions and answers. Judges may pose questions during the evaluation of the poster.
- The winners will be announced at the closing ceremony of the conference. The decision of the winner will be withdrawn if the winner/winners is/are not present at the time of announcement.
