

## Young Researchers Forum - Young Scientist Awards World Surgery 2020

### Hiteksha S. Panchal

Assistant Professor, Department of Pharmacy, Anand Pharmacy College, India, E-mail: [hitekshapanchal22@yahoo.com](mailto:hitekshapanchal22@yahoo.com)

Prestigious Award for Young Research's at World Surgery 2020- Discovering New Exploration in World Surgery 2020 field.

World Surgery 2020 Conference Committee is glad to announce "World Congress and Expo on Surgery" during October 22-23, 2020 in Osaka, Japan by focus on the theme: "New Technologies, Innovations and Outcomes in Surgery"

The "World Congress on Surgeons hosted by conference series with the theme, "World Congress on Surgeon is Nurturing The Surgical Techniques For Better Health-Recent Trends In Surgery"" was successfully executed during November 22-23, 2018 Bucharest, Romania. The conference offered a unique opportunity to investigators across the globe in order to meet, explore, network and perceive new scientific innovations. The conference received commendable and active participation was received from the Editorial Board Members of OMICS Group Journals as well as from the global scientists, Professors, Academicians, Researcher Scholars and students from diverse fields of Structural and Molecular Biology.

- "Novel approach for soft tissue management in aesthetic zone" Ahmed Halim Ayoub Egyptian Society of Oral Implantology Egypt.
- "Innovations in an "orphan disease"; male breast cancer by Atahan Acar Izmir Katip Celebi University, Turkey.

Conference series is organizing "World Congress and Expo on Surgery" which is going to be held October 26-27, 2020 Osaka, Japan. The Theme of the conference is "New Technologies, Innovations and Outcomes in Surgery". The conference is going to cover the entire field related to surgery and surgical instrumentation, its complication and the management and it also cover what is the innovative treatment related to their disorders. Our Conference can review the major event in developing, upgrading and teaching surgery and surgical instrumentation and many more. Our Discipline strongly bracing by the possibilities offered by Cardiovascular and Thoracic Diseases and by the progress in experimental Structural and Molecular Biology, needs this important moment, which can be reviewed by our International Conference Event. In the same way, the achievements of randomized clinical trials, epidemiological surveys, and large meta-analysis will allow us to better understand the possibilities and advantages of our therapies and diagnostic approaches.

The conference highlights of 2020 are as follows: [Cardiac Surgery](#), [Cosmetic Surgery](#), [Dental Surgery](#), [Digestive Tract Surgery](#), [General Surgery](#), [Growth in Surgery and Anesthesiology](#), [Gynecological Surgery](#), [Neuro Surgery](#), [Ophthalmological Surgery](#), [Orthopedic Surgery](#), [Otolaryngology](#), [Pediatric Surgery](#), [Principles of Surgery](#), [Surgeons and Physicians](#), [Surgical Instruments](#), [Surgical Nursing](#), [Surgical Oncology](#), [Transplantation Surgery](#), [Trauma Care Surgery](#), [Vascular Surgery](#).

World Surgery 2020 developments are maintaining their momentum. World Surgery 2020 Conference program delves into strategic discussions.

World Surgery 2020 Conference Committee is intended to honour prestigious award for talented Young researchers, scientists, Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty in recognition of their outstanding contribution towards the conference theme. The Young Scientist Awards make every effort in providing a strong professional development opportunity for early career academicians by meeting experts to exchange and share their experiences on all aspects of surgery and surgical instruments.

Young Research's Awards at **World Surgery 2020** for the Nomination: Young Researcher Forum - Outstanding Masters/Ph.D./Post Doctorate their work Presentation, only 25 presentations acceptable at the **World Surgery 2020** young research forum.

#### Benefits:

- Young Scientist Award recognition certificate and memento to the winners.
- Our conferences provide best Platform for your research through oral presentations.
- Learn about career improvement with all the latest technologies by networking.
- Young Scientists will get appropriate and timely information by this Forum.
- Platform for collaboration among young researchers for better development.
- Provide an opportunity for research interaction and established senior investigators across the globe in the field.
- Share the ideas with both eminent researchers and mentors.
- It's a great privilege for young researchers to learn about the research areas for expanding their research knowledge.

**Eligibility:**

- Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty with a minimum of 5 years of research experience
- Presentation must be into scientific sessions of the conference.
- Each Young Researcher / Young Scientist can submit only one paper (as first author or co-author).
- Age limit-Under 35yrs.
- All submissions must be in English.

Make a note only 25 slots are available in the above mentioned category so do not wait and confirm your participation at the earliest. Spots will be given on first come first serve basis.

**Registration deadlines for the award are:**

Last date for Early bird registration	December 30 – \$399
Last date for Mid-term registration	January 30 – \$499
Last date for registration	February 28 – \$599

**World Surgery 2020** provides best platform to expand your network, where you can meet scientists, authorities and CROs from around the world. It's your time to grab the opportunity to join **World Surgery 2020** for promoting your research article and to facilitate prestigious award in all categories. In this fame, we look forward for your contribution and astonishing dedication to make our **World Surgery 2020** more successful.

The World Surgery 2020 conference offers other awards such as emerging scholar awards to outstanding researchers, exceptional graduates or early academicians who have distinctive enthrallment towards the conference themes. The Award strives in providing a strong professional development opportunity for early career academicians—meeting experts in the field, interacting with colleagues from other parts of the world, and creating networks and long-term relations. Scientific Service Achievement Award, The Research Contribution Award, The Upcoming Researcher Award, The Women of Science Award, Outstanding speaker in World Surgery 2020, Best Keynote Speaker in World Surgery 2020, Best Poster Presentation in World Surgery 2020 and Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation in World Surgery 2020.

Conference Series LLC Ltd, the World's leading Event Organizer provides Meeting Inspiring Speakers and Experts at our 3000+ Global Events with over 1000+ Conferences, 1000+ Symposiums and 1000+ Workshops Symposia, Trade Shows, Exhibitions and Science Congresses in all the major scientific disciplines, including Clinical, Medical, and pharmaceutical, Engineering, Technology, Business Management and Life Sciences across America, Europe, The Middle East, and Asia Pacific from past 11 years, provides Unique Opportunity! Online visibility to the Speakers and Experts. Conference Series LLC LTD is an open resource platform that conducts 3000+ global events including International Conferences, Workshops and is reaching over 25 million researchers, scholars, students, professionals and corporate entities all over the globe.
